

You are invited to submit your paper or special issue proposal to **GEO-ECO-MARINA**.

**GEO-ECO-MARINA** is the yearly scientific journal published by GeoEcoMar (Romania's National Institute of Marine Geology and Geoecology, based in Bucharest, with branch-offices and laboratories in Constanta, on the Black Sea shore). Despite initial focus on the Danube - Danube Delta - Black Sea macro-system, articles on other river-sea systems of the world, modern or ancient, are welcomed.

**GEO-ECO-MARINA** is an open access journal with free colour on the web and in print.

**GEO-ECO-MARINA no. 16** deadline is :                      **June, the 1st, 2010**

All papers will be peer-reviewed.

**GEO-ECO-MARINA no. 16** will be e-published and printed in 2010.

The PDF version of the article, 20 complimentary off-prints and 2 printed copies of the journal are offered to each author team.

Please, send your articles to [cristina.poenaru@geoecomar.ro](mailto:cristina.poenaru@geoecomar.ro)
